

## NOISE CANCELING BLUETOOTH® EARPIECE

### BENEFITS

- Four-mic noise canceling and a proprietary DSP cancel disruptive background noise like traffic or crowds.
- Six layers of our unique WindSmart technology ensure your voice comes through clearly — especially outdoors.
- HD Voice clarity on wideband devices and networks.
- Optional charging case provides up to 14 hours recharging.

### VOYAGER 5200

From the bustling city streets to the corner café, enjoy clear conversations with the Voyager 5200. With six layers of WindSmart technology and four omni-directional microphones to reduce distracting background noise, nothing gets in the way of a clear connection—no matter what type of device they are using to communicate with in and out of the office. Sleek and pocket-sized, the headset is comfortable enough to wear all day.

- Rigorously tested for all-day comfort.
- Dedicated voice control button.
- Smart sensor technology.
- Audio alerts, caller ID, and voice answer.
